Nurse Association Acts To Relieve Acute Shortage

To help relieve the acute nurse shortage reported in hospitals here and throughout the state, the California State Nurses' Assn. today recommended that all nurses' professional registries attempt to divert as many nurses under 45 as possible into essential positions in California hospitals and health agencies.

Yesterday, Mgr. James Philip of the Palo Alto Hospital reported that the "worst nurse shortage of the war now exists in the Palo Alto Hospital," and that lack of nurses may soon force the hospital to shut down some of its beds.

Meanwhile the San Mateo Community and Mills Hospitals disclosed they were experiencing shortages with only Community reporting the situation relatively well in hand.

To meet the need for private duty nurses, the State Nurses' Assn. recommends that the registries consider nurses over 45 as essential in private duty.

"Nurses under 45, in good health and with no children under 18, are to be considered essential for civilian hospital nursing positions," the association reports.

In revealing the serious shortage of graduate nurses existing in most California hospitals, the association reports that all military needs for nurses have been substantially satisfied at present.

Action was taken by the nurses' association in view of facts presented recently by Miss Marian Alford, California chairman of the procurement and assignment service for nurses of the War Manpower Commission.

"With the first assignment of the procurement service for nurses, the assisting in the procurement of nurses for military service, accomplished, an even larger task remains. The second objective of the program is to bring a more equitable distribution of nurses for the civilian population and non-military agencies," Miss Alford stated.

State Guard Offers Pre-Induction Course

A streamlined course in basic military procedures is being offered San Mateo County boys of 17 and all others about to be called into the service, William H. Gilson, commander of the county unit of the State Guard announced this week.

Regulation uniforms and equipment will be issued to all who enroll in the course by phoning the armory or attending any of its Monday, Tuesday, Wednesday or Friday evening meetings on Ralston Rd., Belmont, Gilson said.

U.S. Gives Tax Extension To Overseas War Vets

Collector of Internal Revenue Jas. G. Smith announced this week in San Francisco that an additional extension has been granted to overseas members of the armed forces on their income tax obligations which were postponed because of overseas service.

The new regulations provides that the postponement granted an overseas service man will continue until he has been back in the United States for a continuous period of five and one-half calendar months (not counting the month in which he returns).

Beer Predicts Record Increase To Produce Heaviest Budget Bill

County Controller Fred E. Beer has made a forecast of the county's 1945-46 tax rate. His provisional figure was $1.3298, an increase of 18 cents over last year.

This, he pointed out, was the largest jump since 1935-36, and was the highest tax rate in his long experience with county government.

Apparently San Mateo County faces the heaviest tax load of all time, for never since county valuations were upped by the State Board of Equalization, has the tax rate hit its predicted peak of $1.33, Beer pointed out.

The 18-cent increase, he warned, applies only to the basic county tax rate. All of the special district, school, and other taxes which are added to the basic rate appear to be headed toward higher marks, he fears.

The increase, although tentative until final action of the board of supervisors next month, will be necessary in order to raise an additional $370,452 from taxation for the $4,090,836.78 budget, he said. This year's budget exceeded the 1944-45 budget by $528,525.

Anticipated revenue (exclusive of taxes but including balances) for the fiscal year is up approximately $210,000 over the 1943-44 total of $1,706,311.81, Beer pointed out.

In 1944-45, $1,490,936.45 was raised through taxation, compared with $1,790,775.54 to be raised through taxation as scheduled in the 1945-46 preliminary budget.

Basic tax rate last year was $1.1485, exclusive of the library tax rate.

Adoption of the final tax rate, along with the 1945-46 budget, is scheduled for next month when property evaluations of Assessor Martin Flynn become final.

In 1930, there were almost 14,000,000 foreign-born white persons in the United States; in 1940, the number had decreased to less than 12,000,000.

How to make Salads that make meals

A savory salad can make the day and the meal in this July weather. You might use a mouth-watering tender chicken base; or perhaps a bowl of rich fruit drenched with a piquant dressing is the palate-teaser you're looking for. Add hot rolls or sandwiches to any of these, maybe fruit cobbler or gingerbread for dessert, a beverage—and presto! you have a meal.

SALAD PLATE

Attractively arrange mound or mold of chicken, meat or fish salad on lettuce or spinach leaves in center of plate. Surround with lettuce cups in which are placed half-peeled tomatoes topped with cucumber dressing (1 cup mayonnaise and 6 tablespoons shredded cucumber) stuffed eggs and ripe olives.

LUNCHEON SUMMER FRUIT SALAD

Toss together in salad bowl, 3 cups shredded lettuce or greens, 2 cups sliced fresh peaches, 1 cup seedless grapes, ½ cup sliced celery and 1½ cups shredded cheese with ½ cup mayonnaise or salad dressing and French dressing to taste. Garnish with lettuce, fresh berries and peanuts. Serves 6.

PICNIC CLUB SALAD

Toss together 3 cups cooked macaroni, 1½ cups sliced frankfurters or diced luncheon meat, ½ cup sliced radishes, 3 tablespoons sliced green onion, ½ cup sliced olives, 4 tablespoons French Dressing and ½ to ¾ cup mayonnaise. Season with salt and pepper. Garnish with tomato wedges and parsley. Serves 6.

Mrs. Ronald Starner Awarded Divorce

Mrs. Lorayne G. Starner Monday afternoon received an interlocutory divorce decree from Ronald M. Starner, Redwood City business man, whose complaints about treatment of Dibble General Hospital blind patients recently prompted Congressman Jack Z. Anderson to request an investigation.

Mrs. Starner, who received the decree by default, charged Starner with causing "mental suffering" in a complaint field July 9.

The couple was married in Carson City, Nev., on Sept. 5, 1941.

Starner, co-owner of the Ker-O-Kil Mfg. Co. of 2701 El Camino Real, told Congressman Anderson blind patients were being humiliated and neglected, and later termed publicity given the charges as "extremely unfortunate."

Menlo Policeman Shot by Own Gun

Menlo Park Police Officer Joseph Ferriera received an accidental gun shot wound in his right leg Sunday night as he was walking up the stairs to his apartment, 607 Santa Cruz Ave., Menlo Park police reported this week.

According to the report, Ferriera's gun, resting in its holster, went off as he was mounting the stairs. The bullet entered the flesh above his knee and came out the other side.

Ferriera was able to reach his apartment and call the police department. He was rushed to Palo Alto Hospital where his condition today was reported "good."
